WINES OF THE WORLD CERTIFICATE

Program Description

Take a tour around the world through your wine glass! In the Wines of the World certificate, you'll have the opportunity to establish a strong understanding of viticulture, winemaking, and wine evaluation, followed by a deep dive into the wine classification systems, varietals, and climates of the major wine-producing regions of the world. You'll also have the opportunity to taste, share, and compare wines from each region you discover, which will enable you to select and recommend wines from practically anywhere in the world!

Whether you're a restaurateur, hospitality professional, or wine retailer looking to expand your knowledge, a professional looking to impress their next client, or someone who simply enjoys learning about wine, this program will provide you with the tools you need to serve, discuss, and buy wine with confidence.

Key Takeaways

- Describe the process of making wine and its components
- Evaluate wine using sight, smell, and taste in order to make informed decisions and recommendations
- Interpret wine labels and select wines with confidence
- Pair wine with food appropriately
- Store and serve wine properly based on the type and style of wine

What You'll Earn

- Wines of the World Certificate from Cornell's Peter and Stephanie Nolan School of Hotel Administration
- 195 Professional Development Hours (19.5 CEUs)

Who Should Enroll

- Wine enthusiasts
- Restaurateurs and hoteliers
- Wine distributors and retailers
- Account executives and professionals who entertain clients
- Aspiring hospitality professionals
- Anyone looking to increase their knowledge of wine

Total Investment

- 10 months to complete all the courses

How to Enroll
